

How to find RICE at the RUH

Driving (*possible routes are in purple on map above*)

From Penn Hill Road: Turn into the RUH site from Penn Hill Road and follow the road around to the right. Keep driving straight ahead and take the first right hand turn signposted 'RICE Centre'. Ignore the 'No Public Access' signs. Keep driving until you see a barrier and turn left into the RICE Centre immediately before it. There is an intercom on your right just before our barrier. Press the 'Call' button on the intercom, wait until we answer and a red light comes on, and then speak into the intercom (giving the patient's name). You will hear "come in please" and then the barrier will rise.

From Main RUH Entrance: Turn into the RUH site from Combe Park and bear right (2nd exit) at the mini roundabout (signposted to RICE and the Orange Car Park). Stay on this road until you reach a T-junction and turn left (signposted towards RICE and the Orange Car Park). Carry on along this road, past the Orange Car Park, and take the first right hand turn (signposted 'RICE Centre'). Ignore the 'No Public Access' signs. Keep driving until you see a barrier, and turn left immediately before it. There is an intercom on your right just before our barrier. Press the 'Call' button on the intercom, wait until we answer and a red light comes on, and then speak into the intercom (giving the patient's name). You will hear "come in please" and then the barrier will rise.

There should usually be parking available for 1 car per patient, but this cannot be guaranteed. We have 2 disabled parking spaces immediately outside the front door.

Walking from RUH main entrance (*following blue or green 'RICE Centre' signs*)

Walk to the rear of the Atrium, staying to the left of the Atrium Coffee Bar, and through the doors (signposted 'Wards and Departments'). Turn immediately right and then left (signposted RUH West and Friends' Coffee Shop). Carry on along the corridor past the Medlock Neurology Unit and just past the lifts. Turn left at the vending machines and the Friends' Coffee Shop. Walk straight ahead and through the doors at the end of the corridor. You are now outside again. Turn right, and then take the first left. Walk straight ahead past the barrier, into the staff car park, and follow the path around to the right. RICE is the new building you can see ahead. Walk through the car park to get to us.

We have an intercom system at the front door. Press the button and please wait for approximately 14 seconds whilst it connects to us, and then we can open the door.
