

The Research Institute for the Care of Older People

Charity no. 1042559

FUNDRAISER: salary £24,103 - £28,816

RICE is a Charity dedicated to carrying out research and improving the health and life for older people, with a particular emphasis at present on memory problems, Alzheimer's disease and related conditions. Based at the Royal United Hospital, Bath, we are a team of 16 including doctors, psychologists, nurses and administrative staff.

With an expanding local and national profile RICE is looking for a fundraiser to build on a solid foundation of revenue, trust, community and legacy fundraising as well as Public Relations. The ideal candidate should have at least 3 years experience in these areas. They should have access to their own transport and be prepared to work outside standard office hours at times.

For an application pack call **01225 476420** or email j.armstrong@bath.ac.uk.

Closing date: Friday 4 December
Expected Interview date: Wednesday 16 December
